Custom-fit MacBook Pro™ 17

Technical Specifications

Verticality :

Close to your vertical body with its dimensions of 440 X 300 X 90 mm for only 870 g.

Tailored for 17" :

Custom-fit for Apple MacBook Pro 17" (26 X 392 X 260mm).

Protection :

Complete all-around computer protection with velcro-secured padded flap. Paddings in E.V.A. (ethylene-vinyl acetate) and E.P.E. (expanded polyethylene). Reflecting edge for those late night sessions.

Functionality :

Padded computer sleeve inside along with document pockets, net organizer with neoprene bellows, secret zipped pocket, three accessories pockets and other zipped pockets. Take all your favorite gadgets on the go!

Resistance :

Quality waterproof nylon out layer, accessory panels with soft and extendable nylon, durable P.V.C. coated material reinforcing the whole bag.
